

Chef Olaf Niemeier at Fusion 9

Friday, 09 August 2013

Chef Picasso is back in town! Watch him transform the local cuisine into art you can eat. Here in the city for a limited period of time, Chef Olaf Niemeier will be dishing out his artistic food at Fusion 9 till the 14th of August.

Picture this-- A white fish ceviche spiced with vanilla lime and chilli with guacamole salsa and scallop praline!

Or the gently flavored dish like the braised black cod served on sautierten wok vegetables and crispy snapper chips—jewels like works of edible art.

The veggie foodies are sure to appreciate the baked eggplant and zucchini lasagna served on a spicy ginger tomato stew.

Cue his sweet imagination taking shape in the five slice tart with gulab jamun and mix berry kompott!

With roots in South Asia, London and New York, his Indo-western culinary fusion is light but bursting with flavors.

This chef loves driving in India (crazy!) and shopping for spices in bazaars when he is not being a gastronomy guru in the kitchen.

Go catch his work and have a fill. Just don't feel guilty of destroying his art.
