## **FOOD AND FUSION**

**Incognito, Phoenix Marketcity, Nagar Road, on till August 24**

It's the last two days of the 'Fusion Food Festival' at Incognito. The highlight of the food fest is the participation of Chef Olaf Neimeier from Germany, who is also popularly known as Chef Picasso due to his artistic and innovative skills with food. Enjoy some mouth watering appetisers like crabmeat popcorn with apple and melon chutney and baby lettuce or freshly prepared tempura salad with maple vinaigrette and lettuce. Try the baked potato and herb ricotta tart served with wok fried vegetables and coconut chilli sauce for main course or a Tequila mousse with marinated lime segments for dessert. Sounds delicious doesn't it?
